Description

The Lew Electric 812-DA-SP series flush mount, round floor box is a round, drop in style, heavy-duty, die cast aluminum floor box designed for reliable, in floor electrical power distribution. It includes a durable, metal, screw plug cover for a clean, low-profile finish, making it perfect for flush installation in wood floors. Equipped with a UL listed 15 AMP (TR) duplex receptacle, the 812-DA series provides safe, code-compliant power access where traditional wall outlets are not available or convenient. The die cast aluminum box includes 1/2" and 3/4" threaded conduit openings, offering flexible wiring options for new or retrofit electrical installations.
