RB-ONS	784149411509

### Description

The Lew Electric RB series is a round, drop in style plastic floor box with a metal, spring loaded, single flip lid cover. The unit is designed for installation in a finished wood or carpeted floor. Installation is made easy through a single round cut in the floor and securing the box from above the floor with two self-tightening wing style attachment screws that have a lip to secure the box to the bottom of the subfloor. Inside the floor box is a UL listed 20 AMP (TR)-Single receptacle. The bottom of the plastic box has slots for NMB cable as well as three 1/2" conduit openings.

### Color Options
