Description

The Lew Electric RRP-2 is series a drop in style floor plate assembly (no box) with a metal screw plug cover and a UL listed, 15 AMP (TR) duplex receptacle attached to a mounting plate with a watertight gasket surrounding the receptacle. A second neoprene gasket surrounds the underside of the cover, preventing spills from accessing the receptacle. The cover features two 1 1/4" watertight close up plugs and the included adjusting sleeve helps accommodate installation in finished floor depths up to 3/4" when paired with a standard single gang outlet box (not included).

Color Options

- Aluminum
- Brass
- Dark Bronze
- Nickel

Compliance and Certifications

UL & NEMA RECOGNITION

- Outlet UL #E309821
