Description

The Lew Electric SWB-1 series is a drop in style floor box with a plated metal screw plug cover, single gang stamped steel box and adjusting sleeve. Inside the floor box is a UL listed 15 AMP (TR) single receptacle. The cover features a watertight 1 ¼" screw plug and a durable neoprene gasket surrounds the underside of the cover, preventing spills from getting under the cover and accessing the receptacle. The UL listed stamped steel box is designed for subfloor installation and the ½" ko's on all sides of the box makes cable entry easy and convenient. The included adjusting sleeves go inside the box to accommodate installation in finished floor depths up to ¾".
