SWB-2-NS-T	784149212653

### Description

The Lew Electric SWB-2-T series is a drop in style floor box with a metal screw plug cover, single gang stamped steel box and adjusting sleeve. Inside the floor box is a LEW RRP-2-PQ quad port device (for Comm./Data applications) attached to a mounting plate with a watertight gasket surrounding the receptacle.

A second neoprene gasket surrounds the underside of the cover, preventing spills from accessing the receptacle. The cover features two 1 ¼" watertight close up screw plugs.

The stamped steel box is also UL listed and is designed for subfloor installation. The included adjusting sleeves go inside the box to accommodate installation in finished floor depths up to ¾".

### Color Options

- Aluminum
- Brass
- Dark Bronze
- Nickel

### Compliance and Certifications

#### UL & NEMA RECOGNITION

- Box UL #E345966
- Meets NEMA WD1-1983 heavy duty requirement for display receptacle
