### Description

The Lew Electric FDN-250-A series is a double sided sand casted aluminum pedestal box. Each side of the box requires 1 plate (sold separately) and can accommodate up to two duplex, GFCI or Decora style receptacles. The box includes a 3/4" threaded pipe nipple, reducing washer, and lock nut, as well as a neoprene gasket. The box is 4.75" wide, 3" tall, and 4.25" deep.

### Color Options

### Compliance and Certifications

- ETL file #4004534
- Conforms to UL Standard 514A and CSA Standard C22.2 #18
